The Ultra Petite Power Bank
With a super mini size half of a modern phone and a super light weight of 103g, the Verico Power Guard 5000 is the best power bank choice to have on you wherever you go!

Mini, but Packs a Punch!
5000mAh battery capacity in a tiny size, capable of fully charging a completely drained phone.

Super Small & Light
Petite form factor and super light weight allows you to carry it easily in your pocket and keep your phone charged wherever you go.

Small, yet Highly Versatile!
Convenient dual USB 5V 2.4A charging ports allow charging two devices at the same time.

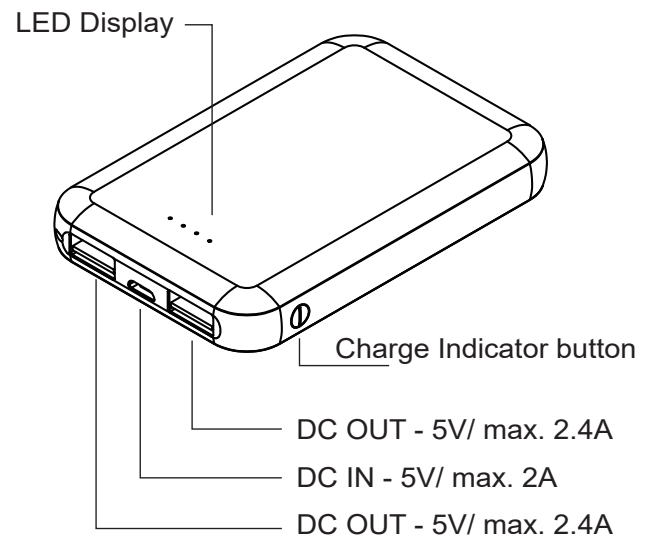

Fashionable & Stylish Design
Beautiful and elegant aesthetic, yet with a professional look makes the Verico Power Guard 5000 a suitable accessory to go into your boutique purse or your handsome suit.

A Strap Hole for Your Own Personality
With a built-in strap hole, you can add a touch of your own personality with your own unique charm.
