

Nokia 105 4G

For long lasting connections

Colours:

Ocean Blue

Charcoal

Key features:

A good chat can make someone's day. That's why Nokia 105 4G has HD voice support² and a long-lasting battery – everything you need for long, clear conversations. Plus, the zoom screen option and large keymat mean that it's intuitive and easy to use. It's staying in touch made simple.

Hear and be heard better: Equipped with 4G and HD voice support², Nokia 105 4G delivers excellent call quality that makes you feel you're in the same room.

See clearer and navigate easier: IPS display technology brings clearer view with better viewing angles and color reproduction no matter if you're texting, browsing or gaming. Big island keymat and simple to use UI with zoomed menu make navigating the features a breeze.

Battery for days: 1450 mAh³ battery delivers hours of talk time or over a week of standby and battery saver to take you even further.

Packed with features: Features an FM radio with both wireless and wired mode, built-in torch, Opera Mini browser, preloaded games, Bluetooth connectivity, MicroSD card support⁴ and an MP3 player.

Nokia 105 4G sales package includes:

- Nokia 105 4G device
- Charger
- Quick start Guide
- Headset (varies by market) No inbox HS as default (WH-108 optional)
